* L'appellation « Concordance Heidegger », que nous utilisons déjà dans le premier numéro du *Bulletin heideggérien*, est désormais le titre de l'ouvrage paru en 2013 aux Éditions Bloomsbury Academics (Londres/New Delhi/New York/Sydney) : *The Heidegger Concordance* Il se compose d'index de termes allemands, grecs, latins, ainsi que d'un index de noms propres Nous remercions les éditions Bloomsbury de nous avoir autorisés à user ici de ce nom et à donner un aperçu de ce que notre livre renferme.

** Les références sont données suivant l'édition de dernière main (*Gesamtausgabe*, Francfort-sur-le-Main, Klostermann, 1975–). Nous indiquons tout d'abord le numéro du tome (en caractères gras) et les pages où apparaît le nom de l'auteur ou un adjectif dérivé de son nom Nous avons exclu de cet index les tables des matières et les titres – qui ne sont généralement pas de la main de Heidegger –, ainsi que les postfaces ou les notes des éditeurs. Les termes allemands auxquels l'index fait référence sont indiqués entre crochets. Dans l'attente de la publication du tome 89 de la *Gesamtausgabe*, nous utilisons ce chiffre pour renvoyer aux *Zollikoner Seminare*, mais indiquons ici la pagination de l'édition de Medard Boss, *Zollikoner Seminare Protokolle, Zwiegespräche, Briefe*, Francfort-sur-le-Main, Vittorio Klostermann, 2006³. Les références au tome 2 de la *Gesamtausgabe* sont aussi indiquées entre parenthèses suivant la pagination de l'édition originale de *Sein und Zeit* (Tübingen, Niemeyer, 2006¹⁹).

*** Nous offrons ici la quatrième livraison de cet *index nominum* selon le découpage annoncé dans le premier numéro du *Bulletin heideggérien* : *Antiquité I* (Les Présocratiques, VIII^e – V^e s av J-C), *Antiquité II* (De Socrate à Plotin, IV^e – III^e s ap J-C), *Moyen Âge et Temps Modernes I* (D'Augustin à Hume, IV^e s – 1750), *Temps Modernes II* (De Kant à Kierkegaard, 1750 – 1850), *Époque contemporaine* (De Nietzsche à Celan, 1850 – 1976). Nous remercions la fondation Alexander von Humboldt (www.avh.de) pour son appui financier et M Benjamin Schröer pour son aide dans la réalisation de ce travail.
